

Does your child have asthma, ADHD, obesity, or special needs? Do you need help managing your child's health care needs? My name is Cindi and I am the **Nurse Care Coordinator** at NRV Pediatrics. I will work closely with doctors and parents to ensure our children are getting the resources and education needed to succeed at home and school.

How Can I Help You?

- Parent/child education
- Assist with referrals to community resources and Specialists
- Phone or office visit follow-up
- Advocate for your child
- Coordinate care with school, early intervention, pre-school, therapies, and social services

I look forward to working with you and your children.
